There are regular flights to and from the international airport at Punta Cana. Among the many airlines that operate are Air Berlin, Air Canada, Air France, Alitalia, Avianca, British Airways, Delta Airlines, Iberia, Lufthansa and United Airlines.

The Barceló Hotels are situated approximately 10-15 minutes by car from the airport at Punta Cana.

The Government has kindly agreed to provide a welcome desk at the airport to assist delegates on their arrival in Punta Cana.

Delegates are also kindly requested to complete the attached Attendance Form with their hotel and arrival details.

VACCINATIONS

Delegates are kindly advised to consult with the medical services in their respective countries regarding any vaccinations they may require. Medical facilities are available in the Barceló complex.

VISAS

Delegates are kindly requested to consult with the missions in their respective countries regarding any visas they may require.

The Government of The Dominican Republic has advised that delegates in possession of a valid visa issued by The United Kingdom, The United States, Canada or the Schengen States (and indeed the nationals of these and many other countries) can purchase a \$10 dollar (or €10 Euro) tourist card in cash upon arrival at the airport in Punta Cana. To save time at the airport, the tourist card can also be purchased and printed in advance if desired, via an online facility: <http://www.dgii.gov.do/tarjetaTuristica/en/about/Paginas/default.aspx> which is available in English, French and Spanish. The tourist card can also be purchased in advance from the local Embassies of The Dominican Republic.

The Government has also kindly advised that delegates who are not in possession of any of the above-mentioned visas should notify the Comisión nacional del cacao accordingly (comision_cacao@hotmail.com), marking their correspondence for the attention of either Mr. Juan Cuello or Dr. José Antonio Martínez, including their full name as it appears in the passport, airline, flight number, arrival/departure dates and indicating that the purpose of the visa is to attend the Council meetings. The Comisión has offered to arrange to meet such delegates at the airport and to provide them with a visa upon arrival in conjunction with the local authorities. This correspondence (the request and the reply) should be carried by the delegate when traveling, for review if required. It is however noted that should the journey include a stop-over/transfer in another country, it is the responsibility of the delegate concerned to obtain the appropriate visa required by that country.

Delegates wishing to travel to The Dominican Republic are kindly requested to ensure that their passports have a validity of at least six months.

Further details about the meeting/hotel venue and the World Cocoa Conference (WCC3) can be found via the conference website: www.worldcocoaconference.org
